

21st Century Learning Program

A Fantastic After Care Opportunity for Enrichment, ELA, Math and Other Academic Support

Limited space still available for online and (later) campus-based attendance. Get your spot while they last!

21st Century Learning is already up and running!

- A federally funded grant program available to those families qualifying for free/reduced priced lunch - others as space allows
- Perfect for those who need extra help with homework, language arts, and math
- Provides opportunities for tutoring, arts/enrichment, and physical activity
- Students grouped by grade level and supervised by Gonzales teachers and staff
- Whole group and individual time while remote - synchronous and asynchronous
- Students must attend each day unless excused through Site Coordinator

Days: Monday, Tuesday, Thursday and Friday

Time: 3:00pm - 5:00pm
